Welcome

My Brother,

Your journey and search for Masonic light began in the Blue Lodge. After you were raised to the Sublime Degree of a Master Mason, the world of Freemasonry opened wide, providing many additional paths to pursue and explore. The Scottish Rite, NMJ extends the opportunity to journey to further light in Masonry through its twenty-nine degrees from the 4° through the 32°.

To help Scottish Rite, NMJ Brethren continue their quest for self-improvement, the Supreme Council has developed the Pathfinder Program for you.

Through participating in various activities and exploring the resources of the Scottish Rite, Pathfinder serves as a guide for 32° Scottish Rite Masons to uncover the road that best serves their needs and interests. A multitude of activities called Mile Markers lead you to discover the experiences, knowledge, and lifelong friendships that help you become the best version of the man you know you can be.

Whether you are a newly initiated 32° Scottish Rite Mason or have been a member for decades, there are many paths forward. Let Pathfinder help you find yours.

To complete the Pathfinder Program, you must complete thirty-two Mile Markers, across five categories, or what we call “Waypoints.” Each Waypoint represents a different but equally important facet of our fraternity. The five Waypoints of the Pathfinder program are outlined below:

- Organization
- Self-Improvement
- Valley Life
- Enrichment Programs
- Service & Philanthropy

Your Field Book provides the space for you to document your journey through the Scottish Rite and can serve as a keepsake of your experience. Inside the cover of your Field Book is a QR code leading to this Guide Book, which will provide for you an overview of the Pathfinder program, the basic guidelines and resources to complete the program, and sections detailing each of the Waypoints and their respective Mile Markers.

We hope you enjoy the Pathfinder Program and wish you Godspeed as you venture ahead as a 32° Scottish Rite Freemason. Remember, the journey is just as important as the destination!
**Essential Gear**
Having the “Rite” gear is planning for success! The equipment and resources listed below are provided to help point you in the right direction during your Pathfinder journey.

**Orientation:** On the 2nd Wednesday of every month at 7 pm ET, you are invited to attend an informative Pathfinder Orientation webinar. During this session, we provide an overview of the Pathfinder Program, How To Get Started, Updating Member Center, Program Completion, and answer any questions you might have! This is an optional but highly recommended component of getting started. Please visit the Pathfinder section of the Member Center to add this to your calendar, obtain the Zoom link, or view the most recent webinar in the Pathfinder Video Library.

**Pathfinder Advisors:** If at any time during your journey through the Pathfinder Program you need additional assistance or have general questions, you can always reach out to your local Pathfinder Advisor. Please visit the Pathfinder page on the Scottish Rite, NMJ website to view the directory and find contact information for an Advisor in your state!

**Computer:** The use of either a computer or mobile device will be required to access the various web and digital resources needed to complete the Pathfinder Program.

**Mobile Device:** Although optional, a smartphone or tablet will allow for easier and faster access to the various web and digital resources.

**QR Codes:** To scan a QR Code, such as the one shown below, or on the inside cover of your Field Book, you will need to use a smartphone or mobile device. Open your camera app, center the QR code on your screen and remain steady. Tap on the notification that appears and you will be taken directly to that resource.

**Pathfinder Field Book:** If during your travels you misplace your Field Book, you can request a replacement by submitting a Pathfinder Support Ticket in the Member
Pathfinder Guide Book: Please make note of the Guide Book version you are using as there will be periodic additions and updates. When in doubt, please visit the Pathfinder page on the Scottish Rite, NMJ website to obtain the most current version.

Scottish Rite, NMJ Degree Passport: If a Mile Marker requires a degree to be witnessed or passport stamp to be obtained, you should first manually update your Field Book entry and Degree Passport. You can then update this information in the Member Center under the Pathfinder and My Degree History sections.

“F.O.R.D.” Conversation Method: Starting a conversation with a stranger (even a Brother Mason) can be intimidating for some. A useful tool that you can use to help with several of our Mile Markers is the “F.O.R.D.” Conversation Method. It stands for:

- Family
- Occupation
- Recreation
- Dreams

By thinking through a few questions ahead of time for each category, you can easily engage and connect with others in any social setting. Give it a try!

Websites: A complete list of web and digital resources can be found in the Web & Digital Resources section of the Guide Book.

- Scottish Rite, NMJ: ScottishRiteNMJ.org

  - Degree History: Update degrees that have been witnessed in pursuit of completing your Degree Passport. (Gold Passport progress must be maintained manually at this time.)
  - Updating Mile Markers: Upon the completion of a Mile Marker, you will need to update two records:
Field Book Entry: Include the title of the Mile Marker, your field notes, signature, and date.

Member Center: You will also need to update your digital entry in the Member Center under the Pathfinder section. Keeping these entries up-to-date ensures that your progress is safeguarded if something were to happen to your Field Book.

Program Guidelines

To successfully complete the Pathfinder Program, you will need to complete any six Mile Markers within each of the five Waypoints. These can be selected and completed in any order of your choosing. You will then choose any two additional remaining Mile Markers from any of the Waypoints.

- Organization (6)
- Self-Improvement (6)
- Valley Life (6)
- Enrichment Programs (6)
- Service & Philanthropy (6)
- Choice (2)
- Total (32)

Your progress should be thoughtfully documented in your Field Book as well as in the Pathfinder section of the Member Center. Some of the questions, tasks, and research posed may require more thought and effort than others. There may also be times when you feel lost or unable to answer a question within a Mile Marker. We encourage you to reach out and ask for help from a Brother or officer in your Valley. Learning from one another helps to make us better men and Masons!

Although your overall program progress will be tracked in Member Center, the Supreme Council will not be able to verify the accuracy of your answers. The resources provided in this Guide Book will help point you in the right direction to find necessary information so you may familiarize yourself and draw your own conclusions. This should serve as a reminder to each of us that in our personal journey of life, we do not have all the answers and should humbly seek wisdom and guidance from above and support from our fellow travelers.

We ask that you review your answers carefully. If you have completed the requirements of the Mile Marker to the best of your ability, you may then sign and date your Field Book entry as being complete. Your progress in this program rests entirely upon your word and honor as a man and Mason.

If you have researched a topic through the provided web and digital resources, have spoken with members and officers in your Valley and your Pathfinder Advisor, and you are still unable to traverse a particular Mile Marker, you may log in to the Member Center and submit a Pathfinder help ticket. One of our guides will offer the needed support to help get you pointed in the right direction.
Updating Member Center

Similar to the process of receiving a stamp in your Degree Passport and then updating your degree history, your Mile Marker progress in your Field Book will also need to be added and updated in your member record in the Pathfinder section of the Member Center.

From the Pathfinder dashboard, you will be able to select the appropriate Mile Marker, add your digital notes, and the completion date. An updated total will then show you how many Mile Markers have been completed from each of the Waypoints. You are encouraged to add your complete Field Notes to these Member Center entries for future reference for two reasons:

1. It will safeguard your progress if you happen to lose your current Field Book.
2. If you choose to complete the Pathfinder Program more than once (or even multiple times), it will serve as a handy reference for how you previously completed the various Mile Markers as many of these experiences are often unique.

On-screen directions will help guide you through this process. Once you have updated all thirty-two Mile Markers in the Member Center and have completed the Pathfinder Program, you will receive a Pathfinder achievement badge in Member Center. Supreme Council will automatically be notified that you have completed the program and you will receive a very special Pathfinder Award Box as a token of appreciation for your achievement.

If you still need additional assistance with updating Member Center, or have any other questions on the Pathfinder Program, we encourage you to attend one of our monthly Pathfinder Orientation webinars. These are held on the 2\textsuperscript{nd} Wednesday of every month at 7pm (Eastern Time) and run approximately 60 minutes. Please visit the Pathfinder section of the Member Center to add this to your calendar and obtain the Zoom link for this webinar. You can also reach out to your local Pathfinder Advisor by visiting the Pathfinder page on the Scottish Rite, NMJ website.
Waypoints & Mile Markers

To complete the Pathfinder Program, you must complete thirty-two Mile Markers, across the five Waypoint categories. Each Waypoint represents a different but equally important facet of our fraternity and has a variety of Mile Marker activities from which to choose. The five Waypoints of the Pathfinder Program are: Organization, Self-Improvement, Valley Life, Enrichment Programs, and Service & Philanthropy.

As with any journey or adventure, there will always be some paths that are easier than others. The best scenery and views, however, generally require earnest and sincere effort to achieve. You are encouraged to challenge yourself and select Mile Markers that push yourself to grow and learn through this experience. The greatest reward you can receive from the Pathfinder Program is gaining a deeper understanding, appreciation, and enjoyment of your Scottish Rite journey as you strive to become a better man and Freemason in the company of your fellow travelers. Take your time and be deliberate in your choices. The view from your personal peak is breathtaking.

Frequently Asked Questions

Below are some of the Frequently Asked Questions for the Pathfinder Program. If you have checked the Program Guidelines and this section and need additional assistance, please open a Pathfinder support ticket in the Member Center.

Q001: What advice can you give me as I start the Pathfinder Program?
Take your time and don’t rush the process. Pathfinder is more about the journey rather than the destination. It is a reminder to enjoy, learn, and grow from the experience. If you are having difficulty completing a Mile Marker, talk to a Brother in your Valley. Collaborate and engage with one another.

Q002: Do I get credit for Mile Markers that I have completed prior to the launch of the Pathfinder Program?
No, progress towards the completion of Mile Markers in the Pathfinder Program starts on April 19, 2022.

Q003: How can I obtain a new or replacement Field Book? What is the cost?
To obtain a new or replacement Field Book, you may request one directly from your Valley Secretary or you can submit a Pathfinder Program help ticket in the Member Center.

In the spirit of the Pathfinder Program and our Core Values, the replacement “cost” for a Field Book will be for you to perform a good deed that you feel exemplifies our Core Value, “Service to Humanity”. There are no guidelines, deadlines, or reporting requirements for this action. It is intended entirely as a mindful opportunity to exemplify two of our Core Values: “Integrity” and “Service to Humanity”.

Q004: If I am unsure how to complete a Mile Marker what should I do?
The best thing you can do to work through a Mile Marker is to speak with a knowledgeable Brother in your Valley. The Pathfinder Program encourages problem-solving through interpersonal engagement. If you have exhausted all other available resources, additional support options are available in Member Center to help get you pointed in the right direction.

Q005: What do I need to do to complete the Pathfinder Program?
To successfully complete the Pathfinder Program, you will need to complete six Mile Markers within each of the five Waypoints and then choose any two additional Mile Markers for a total of thirty-two completed Mile Markers. These must be updated in your Field Book and in the Pathfinder section of the Member Center to receive the
Member Center achievement badge. For additional information, please see the *Updating Member Center* section of the Guide Book.

Q006: Can I complete the Pathfinder Program more than once? Absolutely! There is no limit to the number of times you can complete the Pathfinder Program. It was designed to provide the opportunity for a unique experience similar to a “Choose Your Own Adventure” story.

Q007: I have a great idea for Pathfinder, how can I share this information? When you receive your Pathfinder Award Box, there will be a URL/QR code that you can visit to learn about additional opportunities, provide feedback, and share your ideas!

Q008: How often will the Guide Book be updated? The Guide Book will be updated on a regular basis to include any new or modified Mile Markers. Please visit the Pathfinder landing page or Pathfinder section of Member Center to see the date and version of the current release. You can then download the latest version. You will also notice that in Member Center, new Mile Markers will indicate that they have been recently added.

Q009: What challenges await those that have completed the Pathfinder Program? For those that have completed the Pathfinder Program, we will be releasing some advanced Pathfinder content in a future release with more complex and challenging Mile Markers.

Q010: Is there Pathfinder apparel available? Pathfinder apparel will be available in the near future for those that want to show their support for the program!

Q011: Do Waypoints and Mile Makers need to be completed in order? No. You are free to pick and choose from any of the Waypoints/Mile Markers and can complete them in any order you so choose.

Q012: Can I work on more than one Mile Marker at the same time? Absolutely! There are no limitations on the number of Mile Markers or Waypoints that you are able to have in progress at any given time.

Q013: How can I see what changes and updates have been made to the most recent version of the Guide Book? To see the most recent changes and updates to the Pathfinder Guide Book, you can visit the changelog page on the Scottish Rite, NMJ website!
