Valley of Excellence
Award Requirements
2023-2024
Introduction

To the Brethren of Scottish Rite, NMJ:

The Valley of Excellence award is to recognize Valleys in the Scottish Rite, Northern Masonic Jurisdiction who go above and beyond in their endeavors. With focuses on areas of membership, service/philanthropy, leadership development, and operations, this program encourages Valleys to deliver a premier Scottish Rite experience. We want to highlight the best of the best with this award!

To compete for the Valley of Excellence award, Valleys will accomplish as much as possible from the scoring outline within the census year. The official date range of qualifying for this award every year is June 16 to June 15 of the following year.

This document will overview the scoring method used to compete for the Valley of Excellence award. This outline was built on a scaling method which will scale automatically with the size of your Valley. Please note, it is not possible to receive “extra credit or points” for any category.

To become a “Valley of Excellence” a score of 95% will need to be obtained. If a Valley reaches the pinnacle success point of 95%, they will be allotted an additional 33° nomination as a special incentive. Valleys that obtain a score 90% or above but less than 95%, will receive a honorary mention.

I would like to take a moment to especially thank the Supreme Council State of the Rite / Strategic Planning Committee, chaired by Ill. Jeffry A. Simonton, 33°, for their diligent work in putting together this incredible program. Their tireless efforts will help give all Valleys a workbook to our collective fraternal success.

Thank you for your continued work for your Scottish Rite, NMJ.

Fraternally and Sincerely,

Walter F. Wheeler, 33°
Sovereign Grand Commander
Scottish Rite, NMJ
